Instructions and pattern pieces to create your own

### CHARM CLUTCH

This elegantly proportioned charming clutch or bag transitions from casual day to dressy night (and holds everything you need!). Easily customize the Charm bag with 2 different length handles, different options for closures, and lots of fabric ideas. With interior cell phone and large pockets you'll keep everything well within Charms reach!

### Materials List

*The yardage given is for a one-way design. Allow extra yardage for matching or centering a design on your fabric.*

You can change the look of your bag depending on how many prints you use for your exterior. Option 1 utilizes my "Sari Blooms" quilting print as shown on the front cover. Option 2 uses one print for the exterior and Option 3 uses two.

The bag can be made using 44" wide quilting weight fabric OR 54" wide mid-weight Home Dec fabric. Please check the chart below for the amount required for the style you're making.

Charm Style	Fabric Options	Fabric Width	Exterior Fabric Required	Exterior Fabric Yardage	Trim & Lining Yardage	Fusible Interfacing Yardage
Clutch	Option 1	44" wide	"Sari Blooms" quilting print for the Yokes, Main, & Bottom Panels	3/4 yd	7/8 yd	3 1/4 yds if using 44" fabric OR 1 3/4 yds for 54"
	Option 2	44" or 54" wide	One print for the Yokes, Main, & Bottom Panels	5/8 yd		
	Option 3	44" or 54" wide	One print for the Yoke	1/8 yd		
A coordinating print for the Main & Bottom Panels. <b>If you're making a zipper closure add 1/8 yard</b>			1/2 yd			
Handbag OR Shoulder Bag	Option 1	44" wide	"Sari Blooms" quilting print for the Handles, Yokes, Main, & Bottom Panels	1 yd	7/8 yd	4 yds if using 44" fabric OR 1 3/4 yds for 54"
	Option 2	44" or 54" wide	One print for the Handles, Yokes, Main, & Bottom Panels	7/8 yd		
	Option 3	44" or 54" wide	One print for the Yoke	1/8 yd		
A coordinating print for the Handles, Main, Bottom & (Zipper) Panels			3/4 yd			

### INTERFACING / NOTIONS NEEDED (for all options)

-20" wide fusible woven interfacing (I use Shape Flex® SF-101 from Pellon®). **Please check the chart above for the amount of interfacing required. Make sure you prewash the fusible woven interfacing following the manufacturers instructions.**
