HONEY BUN POUFS

You will love the beautiful utility of these charming & fresh Honey Bun Poufs! Show off your favorite fabrics & create instant artistic additions for your home. 2 sizes tufted with covered buttons - they can be filled in a number of ways for firm or softer feel. Great for the kids room, extra seating, meditation, and still sophisticated enough to display on your favorite love seat.

Materials List (makes 1 pouf)

Allow extra yardage for matching or centering a design on your fabric.

There are 2 options for making the poufs. The first option uses six coordinating prints, the second uses just one print.

The poufs can be made using 44" wide quilting weight fabric OR 54" wide mid-weight Home Dec fabric. Please check the chart below for the amount required for the size you're making.

If you're using 44" wide quilting fabric you'll also need 60" wide 10 oz cotton canvas. (I use canvas from Thompson Manufacturing. You can substitute with Natural Duck Cloth made by Schott International, Inc.) Please check the chart for the amount needed.

Pouf Size	Fabric Width	Fabric Required	Amount Required
Medium Pouf	44" or 54" wide	6 coordinating prints	1/2 yd of each print
		OR One print	2 1/8 yds
	60" wide	10 oz cotton canvas ONLY if using 44" fabric	1 1/4 yds
Large Pouf	44" or 54" wide	6 coordinating prints	5/8 yd of each print
		OR One print	2 3/4 yds
