LIVERPOOL SHIRT, TUNIC, SHORT & LONG DRESS

Young and fresh as the music, fashion, and friends I've enjoyed during many great trips to England! At ease with jeans or dolled up as a dress, the Liverpool is a favorite of mine because it is as comfortable as it is cool. 4 hem lengths, 4 sleeve lengths and a versatile belt provide many great ways to combine and customize your style.

Materials List (for all styles & sizes)

Allow extra yardage for matching or centering a design on your fabric. The yardage given is for a one-way design.

First check the Finished Length Chart below to determine which length Liverpool you'll be making.

Then use the Body Measurement Chart to determine your size. With a measuring tape, measure around the fullest part of your bust, waist and hips. Your bust measurement will dictate your size. If your measurements fall between sizes, choose the larger of the two sizes.

The "Liverpool" can be made using 44" wide light to mid-weight fabric OR 54" wide mid-weight Home Dec fabric. Find the fabric required from the chart below for your size, the style you are making, and the width of the fabric you are using.
