Block Assembly:

(sew right sides together and press after each step)

For Block 1: Piece together one fabric C and F patches. Make 4 units more. Join 2 of these units opposing colors, for a result of a four patch. Make another one. Set aside. Join two half square triangles of fabrics E and G. Make another unit. Piece, at last, these 4 units as shown in *Diagram Block 1*. **Make 16 blocks.**

For Block 2: Join two half square triangles from fabrics A and D, opposing colors, as shown in *Diagram Block 2*. Trim ear dogs. **Make 4 Blocks.**

For Block 3: Piece two strips from fabrics B and E side to side. Make 4 units. Join these units twisting them so the fabric B strip will remain in the inside, as shown in *Diagram Block 3*. **Make 4 Blocks.**

For Block 4: Piece two fabric F and C strips on the ends. Make four units more. Join 2 of these units opposing colors, for a result of a four rectangular patch. Make another one. Set aside. Join two half rectangular triangles of fabrics G and E. Make another unit. Piece, at last these 4 units as shown in *Diagram Block 4*. **Make 4 Blocks.**

Quilt Top Assembly:

(sew right sides together)

Piece two 15 1/2" by 1 1/2" fabric A strips to two opposite sides of the fabric H Central Panel. Piece the other two 17 1/2" long to the other two sides. Press.

Start layering the second central panel by piecing one block 3 to one block 4. Then add another block 3. Press. Set aside. Make another same unit. Piece two blocks 4 to the two opposite sides of the Central Panel. Sew the two separated units to the top and bottom. (Be careful to piece blocks 4 following the quilt layout on the front page to give it a pinwheel appearance).

Piece two 33 1/2" by 1 1/2" fabric A strips to two opposite sides of the panel. Piece two 35 1/2" by 1 1/2" to the other two sides of the panel.

Prepare the top row piecing one block 2, four blocks 1 (rotate them) and another block 2. Make another unit like this. Set aside.

Piece four blocks 1 (rotate them). Make another unit like this. Sew this two units to two opposite sides of the Central Panel. Now, sew the two remaining units. Piece the four fabric A strips for the third internal border in the same way of the other two.

For the outer border: prepare two long fabric G strips measuring 53 1/2" by 4 1/2" and sew them to two opposite sides of the top. Prepare another two stripes, measuring 61 1/2" by 4 1/2" and sew them to the other two sides.

Layer, quilt and bind as desired. ENJOY!
